Silent Auction Report

The Friends made \$125 on 4 items in September which makes \$1542 year to date through September. For November, Joyce will bring in new scrapbooking stuff and we have a few new Christmas items in the stairwell that have been donated. Joyce asked that Friends members with new Christmas things donate them for a silent auction as soon as possible.

December will feature Elvis memorabilia.

Pool Cart

The cart came back from the pool. Amy got feedback from Mike Kudla at parks that the cart was a success. Many of the books on the cart were sunbleached or water damaged and were put in the free box.

Book Sale

All week the room will be available for set up. The booksale is on the outside sign on the north and will be on the south by the end of the week. Joyce will put up the footprints leading to the sale on Thursday. An "Entrance Only" sign was made for the entrance door to help with traffic flow, as well as a sign reading "Please Pay Here". Amy will have membership list, application and cards available on Thursday night and will staff the table.

Leftovers

Pat has several calls in but has only heard back from the Purple Heart Veterans who will be here Monday (sometime) to pick up the leftovers. Children's books will be given to Bernie's in Wauconda for the United Way book drive.

Adjournment

Sylvia moved to adjourn meeting at 9:40, Darlene seconded.
